

The Big Day

Peppermint Bay is the perfect location to host a wedding. Many happy couples have decided to tie the knot in our beautiful grounds over the past 20-plus years.

We are fortunate to be able to offer transfers from Hobart on board our luxury 23m catamaran – Peppermint Bay II. The trip down river from Hobart’s Brooke Street Pier takes about an hour and passes some spectacular scenery along the way. The catamaran can accommodate up to 150 people and drinks can be served from our fully stocked bar.

Upon arrival at Peppermint Bay, you will be greeted by our giant oak tree and the striking architecture of our restaurant - set on lush grounds that extend all the way to the water. Enjoy some canapes outside and soak in the views before the official proceedings begin.

Many decide to have their ceremony outside on the lawns with the D'Entrecasteaux Channel and Bruny Island as a backdrop, though there are plenty of other options, inside or out. Our ceremony fee includes exclusive use of the grounds, seating for guests, and signing table.

Inside, we have capacity for 300-plus guests standing, or 150 seated and we're able to customise table plans specifically for your event with either round or rectangular tables.

We also have a long list of loyal suppliers, so can point you in the direction of great florists, stylists and cake makers etc.

A significant occasion such as a this, requires significant thought when preparing a menu. Our team of chefs are experts at delivering dishes that guests are sure to remember – for the right reasons.

We are lucky to be surrounded by quality Tasmanian producers and we're proud to showcase their wares as part of our food and beverage offering.

Our food options consist of:

Cocktail

A sophisticated alternative to a traditional 'sit-down' meal. Served inside or out, from the kitchen or via our outdoor servery. This option works well for up to 300 guests and includes a selection of canapés and more substantial offerings.

Shared

A relaxed, progressive dining package with roaming canapes to start the night and two courses served at tables.

Formal

A more structured service conducive to speeches and presentations in between courses. Includes canapes, entre, main course and dessert. Guests can choose alternative service or pre-selected items.

All of our beverage packages include sparkling wine, Tasmanian beer and a choice of red and white wines. Our bar staff and sommeliers preference local Tasmanian brands. Hobart Brewing Co beer, Willie Smith's Cider, Hughes and Hughes, and Ninth Island are on our list of 'go-to' staples.

Children's tastes can be accommodated with a choice of two main dishes, ice cream and soft drink.

Your celebrant, photographer and/or band won't go hungry either, thanks to our vendor menu options.

Please refer to our supplementary information for detailed cost breakdowns, sample menus, information on venue set-up, capacities, dietary requirements etc.

We strongly recommend a site visit to meet with our events team and experience Peppermint Bay for yourself. Stroll through the grounds, view the many possible ceremony locations, visit the restaurant, check out the views, take photos, ask questions and gather inspiration.
